Tools and resources to help you

RTS: If you have any questions regarding your ready-to-sell status please contact your Aetna Medicare broker manager or the Aetna Medicare broker services department at brokersupport@aetna.com or [1-866-714-9301](tel:1-866-714-9301).

iPad users: If you haven't updated Ascend for your iPad since 8/1/19 you will need to do so prior to being able to utilize the software. This is an annual requirement for all iPad users. The software update site is <https://arm.ascendproject.com>.

Is your license deactivated? Ascend licenses get deactivated from time to time for any one of three reasons; Aetna contract termination, failure to achieve ready-to-sell status, not utilizing Ascend for a period of six months or more. If your license is deactivated, do not request a new license. Instead, send a reactivation request to ascendhelp@aetna.com and include your Ascend email/user name and your NPN in the request.
